Jurisdiction of Port Police, (310) 732-3500.
No Marine Unit of Port Police is needed as filming is taking place outside the breakwater.

Coordinator Note Boat launch must remain open to the public during 1400-1700 hrs during filming and camera position.

Coordinator Note Lifeguards discretion to cancel if water is unsafe to launch. The plan is to have non-motorized crafts (outriggers on 10/28 and aqua-bike on 10/14) launching and landing at the outer beach at Cabrillo. It is understood that the lifeguard assigned to the shoot or the Beach Captain may cancel or modify this activity if conditions make it unsafe. It was brought up on the walk-through to have a back-up plan in mind if this is the case.

All motorized vessels need to stay 300 yards off shore. That means they must be outside the buoys. The non-motorized crafts can be inside or outside the 300 yard limit as long as conditions are safe. A lifeguard will be assigned for the duration because we anticipate they will be back and forth in our jurisdiction.

Coordinator Note No park monitor required

Coordinator Note Rider B obtains park approval; releases location; collects park fee
